# Lighting of the Trees Ceremony

November 29, 2024 5:30 p.m.

Central Park

106 N Court Street, Ottumwa, IA 52501

- Trees will be trimmed with white lights and a large red bow and will be identified with the name of the honoree, business, or donor names.
- Each honoree or business will be announced as the memorial trees are illuminated in Central Park during the Lighting Ceremony.
- The Event will be streamed on Facebook for those that cannot attend in person.
- Trees will remain lit throughout the Holiday Season. Please remove your personal items before January 4. We will hold your items once the trees are removed.
- The names of the donors and honorees will also appear on our web site to thank them for their belief in our downtown.

## Important Considerations

- In an effort to not overload the circuit, **please do not add colored or additional lights to your tree.** This causes the lights on other trees to go out.
- You are welcome to provide ornaments on your tree to commemorate your loved one; however, please **do not place glass ornaments on your tree.** If they fall and get broken, this creates a hazard for the spectators who want to come and enjoy the display in the park.
- If you do provide ornaments, please attach them securely to your tree.
- Putting valuable or important heirlooms on your tree is not advised. Main Street Ottumwa is not responsible for stolen items or ornaments.
